Dear Ed:

Thank you for your memorandum, supporting the nomination of Dr. William Henry Welch to the Hall of Fame. I am happy to have your support of this individual.

You may be interested to know that there are some 225 candidates -- and only 7 positions to be filled. (Of course many of those suggested are not of great distinction.) Careful and sympathetic consideration will be given to the entire group.

With kindest regards for yourself and Viola,

Cordially,

E. B. Fred
